To Whom it may concern,

I am in receipt of your request for all documents relating to the usage of Automated License Plate Recognition (ALPR) technology by the Peabody Police Department, which was sent via e-mail on November 21, 2012 at 11:29 p.m. After discussing the request with Chief Robert L. Champagne, he is denying your request. The basis of his denial is that this information would fall under an exemption to the public records law under MGL C4 Section 7 Twenty Six (b).

You have the right to appeal this decision to the Supervisor of Records, at the address below, within 90 days from your original request. The Appeal must include your original request, along with this response.
